THE COSMIC DIALOGUES — THEOROS AND SKEPSIS

CROSS-REFERENCE TABLE

Dialogues, Covers, and Framework Alignment

Series Item	Paired Cover (Operator)	Primary Conceptual Emphasis	Framework Terms Engaged
Gateway	Indifferent starfield; calibrated glow	Establishes baseline and vantage	Thermodynamic Realism; Cosmic Realism
Dialogue I — Adapting to Existence	Same field; persistent local glow	Function persists under recognition	Bio-Realism; Pragmatic Thermodynamics
Dialogue II — Extra-Biological Intelligence	Unchanged field; repetition	Novel substrate ≠ altered cosmos	Bio-Realism; Cosmic Realism
Dialogue III — Extra-Biological Consciousness?	Withheld escalation; indeterminacy	Self-attention without drama	Pragmatic Thermodynamics; Cosmic Realism
Dialogue IV — The Outreach	Small departing disc	Legitimate gesture without guarantee	Cosmic Pragmatism (gesture)
Dialogue V — Gestures, Signals and Traces	Field overwritten by record	Archive density; types of expression	Pragmatic Thermodynamics; Cosmic Pragmatism
Dialogue VI — Expression at the Edge of Dissipation	Saturated constellation	Intensification at the limit	Cosmic Pragmatism (sovereign gesture)
Epilogue — The Silence	Removal; baseline restored	Stopping rule; withdrawal	Cosmic Realism; Cosmic Pragmatism
On Cosmic Pragmatism	Plain field; framework named	Descriptive vs. active stance	Bio-Realism; Pragmatic Thermodynamics; Cosmic Realism; Cosmic Pragmatism

Use note: Read sequentially. Covers condition attention before text; the epilogue formalizes termination when continuation would falsify what is seen. All components released CC0.
